Trail Mix Customization

Author: Drew Dabe, Michelle Clark, Brandon Hucks, Astha Singh (asthas@email.sc.edu)

Problem Statement:
Students need a cheaper and more accessible alternative to required textbooks provided through the university.

Who is experiencing the problem?
Students

What is the problem?
Accessing cheap and accessible required textbooks.

Where does the problem present itself?
In downloading required textbooks for a reasonable price before classes start.

Why does it matter?
Students need to save money because they are on a limited budget.
