On the main page of the application, users have the ability to choose one of the four options: add new, view, remove, or share resources.

When the user chooses to add new resources, they then choose from a library of courses that are at the University of South Carolina.

A hand-drawn sketch of a form titled "ADD New". Below the title is the instruction "Please Select your courses...". The form contains a table with two columns. The first column lists five course codes: CSCE 146, CSCE 212, CSCE 215, CSCE 190, and MATH 344. The second column contains the course code ENGL 463 in the top row, with the remaining rows being empty.

MATH 344	

When the user chooses to view a resource, they then choose which of the resources they want to view. In the 'VIEW' screen, the user then is able to navigate through the chosen resource.
